1. Background and Rationale

The Assam State Disaster Management Manual (ASDMM), 2015 which is cabinet approved framework for relief and response based on the National Disaster Management Act, 2005 brought in a paradigm shift in planning for emergency preparedness and response and broader disaster management in the state.

The manual through relief camp management guidelines sets aside certain minimum standards to be adhered to by responsible stakeholders for providing immediate services and protection to the victims who have been rendered homeless/displaced. It is essential that the compliance to the guidelines is measured with due seriousness so as to improve upon quality of disaster response services and for bringing greater accountability among stakeholders.

This document is based on field level assessment considering the provision of 'Relief Camp Management Guideline' (Appendix-XXXV) of the Assam Disaster Management Manual, 2015. It aims to assess the basic quality services provided in relief camps, to measure the compliance standard and to understand areas of improvement for effective and transparent relief camp management as mandated in the cabinet approved manual.

Some of the key recommendations made during a pilot assessment and scoring of relief camps were though forwarded to DDMA's for consideration in Relief Camp Management during flood 2019. However, there is a need for sensitizing the stakeholders on relief camp management guidelines with the following objectives:

- To assess the basic quality services provided in relief camps and to measure the compliance standard as mandated in 'Relief Camp Management Guideline'
- To sensitize the officials /staff of the line departments and other stakeholders on the coordination of response and areas of improvement for effective and transparent relief camp management.
- To develop a system for accessing and improving the management of relief camps.

2. Purpose of the SoP

This Standard Operating Procedures (SOP) document has been developed to supplement the 'Appendix XXXV - Guideline for Relief Camp Management' of the Assam Disaster Management Manual 2015. This SOP aims at making the role and responsibilities more specific for the key personnel involved in the management of relief camps during emergencies/disasters.

3. Role and Responsibilities

Following are the roles and responsibilities of the key personnel attached to the relief camp management both at district level as well as at the revenue circle level.

Roles of the District, Sub-Division and Circle level functionaries and Officials:
Deputy Commissioner (DC) and Chairperson, DDMA

Phase	Responsibility
Pre-disaster	<ul style="list-style-type: none"> • Ensure identification of relief camps with provisions for Child Friendly Spaces (CFS) adhering to the comprehensive and multi-hazard safety standards • Establish clear understanding and functional coordination channel between relevant line departments, SDO (Civil), Revenue Circle Officer for effective camp management as per roles defined in the SoP • Guide, monitor and ensure that the designated camps are safe from all the hazards, accessible to possible affected communities and the service providers, have basic minimum capacity and facilities to accommodate people. • Ensure that each camp's seat (intake) capacity is defined and notified. In the current context, due consideration should be given toward ensuring social distancing norms (as defined in Annexure I) • Identify suitable safe spaces and ensure procurement of related materials for setting up of temporary camps as per defined standards¹ • Establish a system of taking feedback from camp inmates and mechanism to address grievance in camp management • Guide and ensure that camp officers, in charges and other responsible functionaries from various line departments are identified, notified and capacitated to run/manage camps • Constitute and lead a District level Relief Camp Monitoring Team and Zonal Relief Camp Monitoring Team comprising of members from the line departments to ensure the proper relief camp management as per the SOP. • Ensure that documentation and reporting of relief camps are done properly • Issue directives to concerned functionaries to follow the specific guidelines laid down in the Assam DM Manual, 2015 regarding Relief Camp Management • Issue directives to responsible departments to ensure facilities/services at the designated camps: <ul style="list-style-type: none"> ○ Lighting arrangement in residential portion of camps, toilets and approach road (<u>PWD-Elec.</u>) ○ Potable water for drinking and other household purposes (<u>PHED</u>) ○ Separate, accessible (within 50 meters) and hygienic toilets (<u>PHED</u>) ○ Separate bathing units for male and female (<u>PHED</u>) ○ Separate food arrangements for children, pregnant and lactating women, ill and elderly (<u>Health and Social Welfare</u>) ○ Culturally and age appropriate clothing (if situation warrants) for inmates (<u>Revenue and DM</u>) ○ Sanitary provisions for women and girls (<u>Health and Family Welfare and ASRLM</u>) ○ Health including regular RCH services, health and hygiene education and psycho-social care arrangements in camps (<u>Health and Family Welfare, Social Welfare particularly DCPUs</u>) ○ Security and protection arrangement including monitoring of situation in regards to women and children (<u>Police, VDPs, DCPUs</u>) ○ Waste management facilities in the relief camps (<u>PHED, GP and ULBs</u>) <ul style="list-style-type: none"> ○ Relevant Social and Behavior Change Communication (SBCC) materials in local languages, (<u>Health and Family Welfare, Social Welfare, Education</u>) ○ Educational and recreational activities in camps (<u>Education Deptt., Social Welfare Deptt.</u>) • Ensure timely procurement of Gratuitous Relief (GR) items (e.g. pre-monsoon for flooding) which will be required for operationalizing relief camps <ul style="list-style-type: none"> ○ Plan and pre-position procured items in strategic locations with a well thought out transportation plan (Mapping all the designated camps against specific storage facilities for GR) ○ Disinfectant drive at all notified Relief Camps/Camps/shelters in advance.

¹ Covered area available per person should have an average of 3.5 to 4.5 square meter. Due to COVID-19 outbreak, the minimum space has been revised to 7 sq. m. as per new guideline (at Annexure-I).

Managing flood relief camps in context of COVID -19 outbreak in Assam
(Notified vide No. RGR/ASDMA.09/2014/323 dated 24th April, 2020)

Assam is approaching flood season. This year the challenge to support those who might get affected due to flood will be even tougher due to the ongoing COVID-19 pandemic across the globe which has also affected Assam. Relief Camp Management Guidelines are included as Appendix-XXXV of the Assam Disaster Management Manual, 2015². In order to be better equipped to deal with flood situation vis-à-vis COVID-19 context, this document has been developed to serve as an addendum. This document will be used by all District Disaster Management Authority (DDMAs), SDO (Civil) and Revenue Circle Officers for management of Relief camps during ensuing flood season.

Major highlights of the addendum to existing Relief Camp Management Guideline are as follows:

- **Relief Camps and Accommodation capacity to be earmarked in advance:** Identify additional relief camps in addition to the existing pre-identify camps as per population density of villages to earmark space for social distancing. Ensure 7 Sq. m. of area per person instead of 3.5 Sq. m. to validate social distancing of at least one meter between any two camp inmates (calculation of intake Capacity of Relief Camps are given in the table next page).
- **Toilets facilities and the populations:** Sufficient Toilet facilities have to be provided in proportionate to the intake camp capacity. Coordinate with PHE Deptt. to ensure the same.
- **Ensure sufficient sanitation facility:** Ensure sufficient Hand-wash/soap, sanitizers, masks for the camp inmates. The Relief camp premises should be strictly notified as no-spitting, no-tobaccozone.
- **Medical Support & Health Surveillance Team:** Daily monitoring (in place of weekly) of health condition shall be done by the health team on duty in the camp following all precautions and guidelines. Medical team should be armored with basic PPE for conducting screening during registration process. Pre-identification of the Medical facilities like Ambulances for transportation of infected, isolation facilities nearby etc. In case of sneezing, cough, fever & common cold, immediate medical supervision to be made and he/she may be kept separately as per COVID-19 norms & regulations.
- **e-Help desk:** e-Help desk should be facilitated in all Operational Relief camps with the help of *Pratirodhi Bondhu* as counselor/ facilitator. These desks will emphasis on the facilities available on the e-help platform (e.g. Telemedicine, e-pashu etc.), a joint venture of ASDMA and CSC-SPV.
- **Pratirodhi Bondhu:** The Revenue Circle Administration may engage Pratirodhi Bondhu volunteers available in the revenue circle as per the guidelines.
- **SOP for relief/cooked food distribution in camps:** SoP should be prepared in collaboration with ASDMA for distribution of relief items/cooked food adhering precautionary measure as per COVID-19 norms & regulations.
- **Arrangement for fodder Livestock:** Pre-identify the highland areas e.g. tea gardens etc. with green grasses for arrangement of the green fodder for livestock of the farmers/ camp inmates.
- **Quarantine/isolation facility:** Quarantine/isolation facilities may be identified on higher altitudes by the district administration for transfer of COVID-19 suspected cases.

The detailed addenda to existing relief camp management guideline are comprehensively cited in the table below for managing flood relief camp vis-à-vis COVID-19:

Child Friendly Spaces in Relief Camps

(Guidelines for operationalization in the context of COVID-19)

CFS is a place designed and operated in a participatory manner where children affected by disasters can be provided with a safe environment, integrated services including play, recreation, education, health, and psychosocial support and/or information about services/supports provided. The purpose of CFSs is to support the resilience and well-being of children through, structured activities conducted by community in a safe, child friendly, and stimulating environment.

District Administration will set up "Child Friendly Spaces (CFS)" in every Relief camp in co-ordination with Line departments and NGOs / civil society organizations. All protocols for COVID-19 containment including safety and security of children will be ensured in CFS

Child Friendly Spaces are a critical and non-negotiable component of relief camp management in Assam. This guidance is set forth to supplement the guidance on flood relief camp management in the context of COVID-19 issued via No. RGR/ASDMA. 09/2014/323 dated 24th April 2020 and the basic guidelines for implementation of Child Friendly Spaces in Emergencies under NSSP, 2016 issued via letter No. ASDMA/101/2017/PI/28 dated 5th July 2018. The following needs to be adhered to with regard to Child Friendly Spaces in relief camps in the current scenario:
